

YOU'RE INVITED!

Join Us For A One-Day Seminar

What is EtherCAT?

- EtherCAT (Ethernet for Control Automation Technology) is the fastest Industrial Ethernet solution that provides industry leading performance, flexibility and cost advantages

Who should attend?

- These full-day seminars specifically address end users as well as system integrators to learn about EtherCAT and other Industrial Ethernet technologies

Why should attend?

- Learn about the benefits and the challenges of Industrial Ethernet
- EtherCAT seminars are educational events delivered by the experts
- Explore and understand EtherCAT technology
- Talk with EtherCAT experts face-to-face, and discover the sponsors' table-top exhibition: See how EtherCAT can help you!
- Participation is free of charge and you are cordially invited
