Organized by:

EtherCAT® Technology Group

What is EtherCAT?

■ EtherCAT (Ethernet for Control Automation Technology) is the fastest Industrial Ethernet solution that provides industry leading performance, flexibility and cost advantages

Who should attend?

■ This free-of-charge seminar series is addressed to automation professionals, device manufacturers, system integrators, product managers, as well as decision-makers and students to learn about EtherCAT and Industrial Ethernet, but also hot topics like gigabit performance for EtherCAT and cybersecurity

Why attend?

■ Learn about the benefits and challenges of Industrial Ethernet

■ Explore and understand the EtherCAT technology

■ Talk with an EtherCAT expert face-to-face, and see how EtherCAT can accelerate your application or project

■ EtherCAT seminars are educational events from the EtherCAT Technology Group (ETG)

About ETG

■ EtherCAT Technology Group (ETG) - the world's largest Industrial Ethernet Fieldbus organization with over 7,100 member companies from 72 countries supporting the EtherCAT technology
