What is EtherCAT?

- EtherCAT (Ethernet for Control Automation Technology) is the fastest Industrial Ethernet solution that provides industry leading performance, flexibility and cost advantages

Who should attend?

- This free-of-charge seminar series is addressed to automation professionals, device manufacturers, system integrators, product managers, as well as decision-makers and students to learn about EtherCAT and Industrial Ethernet, but also hot topics like gigabit performance for EtherCAT and cybersecurity

Why attend?

- Learn about the benefits and challenges of Industrial Ethernet
- Explore and understand the EtherCAT technology
- Talk with an EtherCAT expert face-to-face, and see how EtherCAT can accelerate your application or project
- EtherCAT seminars are educational events from the EtherCAT Technology Group (ETG)

About ETG

- EtherCAT Technology Group (ETG) - the world's largest Industrial Ethernet Fieldbus organization with over 7,100 member companies from 72 countries supporting the EtherCAT technology
