What is EtherCAT?

- EtherCAT (Ethernet for Control Automation Technology) is the fastest Industrial Ethernet solution that provides industry leading performance, flexibility and cost advantages

Who should attend?

- This full-day and free event specifically address end users, system integrators, OEMs, product manager, decision maker and machine builders. The EtherCAT Technology Day is a great chance to learn about EtherCAT, especially in the context of digital transformation covering hot topics like TSN (Time-Sensitive Networking), OPC, IoT and Industry 4.0

Why attend?

- Learn about the benefits and the challenges of Industrial Ethernet
- EtherCAT information days are educational events from the experts
- Explore and understand EtherCAT technology
- Talk with EtherCAT experts face-to-face, and see how EtherCAT can accelerate your application
- Participation is free of charge and you are cordially invited

About ETG

- EtherCAT Technology Group (ETG) – the world's largest Industrial Ethernet & Fieldbus organization with over 4,600 member companies from 65 countries supporting EtherCAT technology!
