What is EtherCAT?

- EtherCAT (Ethernet for Control Automation Technology) is the fastest Industrial Ethernet solution that sets industry benchmarks in performance, flexibility and cost efficiency.

Who should attend?

- These free-of-charge seminars are geared toward automation professionals, device manufacturers, system integrators, product managers, decisions makers, and students. Here, you will learn about EtherCAT and Industrial Ethernet, along with the impact of current trends.

Why attend?

- Learn about the benefits and challenges of Industrial Ethernet
- Explore and understand EtherCAT technology
- Talk face-to-face with an EtherCAT expert, and see how EtherCAT can accelerate your application or project
- Participate in educational seminars led by experts

About ETG

- EtherCAT Technology Group (ETG) is the world's largest Industrial Ethernet Fieldbus organization with over 8,000 member companies from 76 countries who support EtherCAT technology.

Speaker | Special | Locations

ETG Speaker

Oliver Fels
Technology Marketing
EtherCAT Technology Group

Special

Table top exhibition

Use the chance to talk to the EtherCAT experts and product specialists and discover some EtherCAT demos on site during the breaks.

Private sessions

Feel free to use the chance to meet the EtherCAT expert in the seminar breaks (request via online registration form).

Locations

Wednesday | May 7 | Eindhoven

Conference Center High Tech Campus
High Tech Campus 1-E, The Strip
5656 AE Eindhoven

Thursday | May 8 | Enschede

The Gallery Enschede
University of Twente
Hengelosestraat 500
7521 AN Enschede

Timetable | Agenda

Timetable

- Registration on site: 9:00
- Start of seminar: 9:30
- End of seminar: 16:00

ETG topics will be held in English language, local application examples may be in Dutch. The time schedule, order and titles of presentations may vary.

Presentations

- **EtherCAT technology highlights and benefits: From Ethernet to EtherCAT**
EtherCAT Technology Group, Oliver Fels
- **EtherCAT in the semiconductor industry**
EtherCAT Technology Group, Oliver Fels
- **EtherCAT success stories by sponsors**
Sponsors presentations
- **Diagnostics features far beyond the usual**
EtherCAT Technology Group, Oliver Fels
- **Gigabit performance with EtherCAT G + G10**
EtherCAT Technology Group, Oliver Fels
- **Cyber-resilience thanks to EtherCAT**
EtherCAT Technology Group, Oliver Fels
- **More sales thanks to EtherCAT: how does that work?**
EtherCAT Technology Group, Oliver Fels
